BRABBU

DESIGN FORCES

MALAY | COUNTER STOOL

Our designers travelled to the Malay Archipelago, located between the Southeastern of Asia and Australia, in order to project a modern home décor, capable of whispering the stories of diverse cultures such as Indonesia, the Philippines and Singapore. These ethnicities give life to MALAY – a graceful counter stool with a mystical soul that will fulfill your modern home decor with energy from the nature. Enjoy this comfortable counter stool in synthetic leather with legs in black lacquer, placing it as center piece in your modern home decor.
